## NEWSLETTER

July - 2025

### AEROMUN 2025

Air Force School Yelahanka hosted AEROMUN 2025 on 18th and 19th July in collaboration with Rotary Skyway. The event brought together delegates from 11 schools to engage in discussions on global issues, promoting diplomacy, critical thinking, and leadership.

AEROMUN 2025 was a successful celebration of youth diplomacy and responsible global citizenship.

The opening ceremony featured a welcome speech by the Principal and a Peace song by the school choir. Throughout the conference, students showcased strong skills in negotiation and international relations across multiple committees.

The closing ceremony included summaries from each committee, followed by an award ceremony recognizing outstanding delegates and the best delegation. The event concluded with the Chairman's address and a photo session.

# CCA ACTIVITIES

## 1 POSTER MAKING WITH SLOGAN WRITING

Students participated in a Poster Making with Slogan Writing activity, creatively expressing powerful messages through art and words. This activity enhanced their awareness of social issues while developing artistic and communication skills.

## 2 CLAY ART AND COLLAGE OF HEATHY FOOD

Students enthusiastically took part in creative clay art and prepared colourful collages of healthy food items. These activities not only brought out their artistic talents but also emphasized the importance of healthy eating in a fun and engaging way.

## 3 GREETING CARDS MAKING

Students made heartfelt greeting cards for their favourite teachers to celebrate the occasion of Guru Purnima. This activity helped them express gratitude and appreciation for their teachers' guidance and support.

## 4 VEGETABLE AND LEAF PRINTING

Students enjoyed a vegetable and leaf printing activity, creating colourful artwork while exploring creativity and nature.

## NATURE WALK

On Green Colour Day, students embarked on a refreshing nature walk, observing plants, trees, and birds around them. The activity nurtured curiosity, built environmental awareness, and inspired a deeper appreciation for the beauty of nature.
